

The Mauritius Shipping Corporation Ltd (MSCL) wishes to inform the public that the vessel **MV Mauritius Trochetia** departed from Port Louis on the evening of **Friday, 14 March 2025**.

The vessel is currently en route to **Diego Suarez, Madagascar**, where it will undergo essential hull repairs at the **SECREN SA Shipyard**.

The repairs are expected to be completed within a time frame of **3 weeks**, barring any unforeseen circumstances.

The public will be duly notified once the repairs have been successfully completed and the vessel is ready to resume its commercial operations and return to Port Louis.

MSCL regrets any inconvenience this may cause to the public and appreciates their understanding.
